# The 2021 PH-EITI Work Plan

- Founded on the medium term (2020-2022) strategic objectives of the MSG

## Objectives

*Developed and approved by the PH-EITI MSG on November 14, 2019)*

1. Improve the platform of commitment for transparency and create a safe space for dialogue and debate on natural resource governance.
2. Maintain an impartial and verified database on the extractives sector.
3. Develop capacities to effectively participate in natural resource governance.
4. Strengthen and expand the linkages of EITI.
5. Formulate and propose policy reforms, including processes and mechanisms of natural resource governance.
